14 11 CCR § 3001(a).

15 A noticed motion must be filed for court approval of a Proposition 65 settlement:

16 If there is a settlement of an action brought by a person in the public interest

 20 settlement only if the court makes all of the following findings:

21 **(A)** The warning that is required by the settlement complies with this chapter.
 22 **(B)** The award of attorney’s fees is reasonable under California law.
 23 **(C)** The penalty amount is reasonable based on the criteria set forth in
 24 paragraph (2) of subdivision (b).

25 Cal. Health & Saf. Code § 25249.7(f)(4). The Noticed motion must also be served upon the
 26 California Attorney General, which has 45 days to review the same.³ *Id.* at (f)(5); 11 CCR §
 27 3003(a). As a result, no hearing on a motion to approve can be set prior to 45 days after filing of a

² The matter also involves a claim under California’s Unfair Competition Law, settlement of which does not require court approval.
